

### REMARKS

The Summary of the Drawings section of the application has been corrected to eliminate reference to Figure 4.

In this connection, Applicants note that the formal drawings submitted October 4, 2002, incorrectly included a Fig. 4, while the specification makes clear that there is no such figure in the application.

The foregoing amendment, meanwhile, is made to correct an obvious word usage error.

A corrected second sheet of formal drawings is being filed simultaneously with this amendment.

If any fee is due with this amendment, please charge our deposit account No. 03-0172.

Respectfully submitted,

---
